Attendance Policies

California Education Code 48260 states that a student missing more than 30 minutes of instruction without an excuse three times during the school year must be classified as a truant. Official attendance records are kept and will be released if subpoenaed by Juvenile Court. If a student is tardy or absent for more than 10% of each trimester, he/she may receive an incomplete and may not be promoted to the next grade level. This classification and referral helps emphasize the importance of school attendance and is intended to help minimize interference with instruction.

EXCUSED DISMISSAL: Students have the number of excused days, plus one additional day, in which to make up work. Failure to make up work will result in a zero for the missed assignment.

UNEXCUSED DISMISSAL: Students will not be able to make-up work given that day.

Please refer to the PARENT and STUDENT HANDBOOK for further details.
